PART 7

Agreement and signatures

Tick each statement, then sign below.

- ☐ I am authorised to sign for the organisation and to bind it to this contract.
- ☐ The information on this form is accurate, including the number of people on the payroll and the revenue. The price is set from them; if either was understated, Iteranium may correct the price from the next month.
- ☐ The subscription covers the organisation above and any other businesses listed with it. Across all of them, Iteranium prepares at most two applications a month in total, chosen by Iteranium; an allowance not used in a month does not carry over.
- ☐ The organisation subscribes to the plan above for the whole term chosen, at the monthly price shown in each chosen currency, plus applicable taxes.
- ☐ Iteranium holds an onboarding call with the organisation within 10 business days of signing. Billing starts on the day of that call, and the term runs from that day. If the organisation is not available for the call within those 10 business days, billing starts on the tenth business day.
- ☐ This is a fixed-term contract. It cannot be cancelled before the end of the term, and the organisation owes every monthly payment of the term. When the term ends, the subscription ends unless the organisation renews it.
- ☐ The organisation authorises Iteranium Inc. to charge the card it enters on Stripe's secure page each month, in advance, for the monthly price and applicable taxes, from the day billing starts to the last month of the term, and to keep the card on file for that purpose only.
- ☐ We understand that funding is never guaranteed, because funders decide. Iteranium prepares the applications; the organisation signs and files each one, and Iteranium does not contact funders on the organisation's behalf.
- ☐ I have read and agree to the Terms of Service and the Privacy Policy (granttude.vercel.app/terms and granttude.vercel.app/privacy, version 2026-10-26.3), and I am authorised to accept them for my organisation.
- ☐ Optional. Iteranium Inc. may email me about Granttude and its services. I can unsubscribe at any time.

Why we ask for photo ID and a phone number: to confirm who is signing for the organisation and to reach them about this sign-up. The ID number is recorded once, kept by Iteranium Inc. with the organisation's records, and used for nothing else.
